

OAKLAND TESTIMONIALS

Shane & Robyne -

"We love it, sunny, peaceful, and it has a wonderful rural flavour. An awesome neighbourhood to raise our kids in. It's great!"

Bianca -

"It's our first home and we love it. It has a rural feeling (we even had a cow watching us having breakfast a couple of days ago). Very relaxing and great for kids. The street lights create a great ambience and evenings under the stars = a romantic haven. We just love it out here!"

Mason -

"We love it, we bike and skate and rip stick because there's lots of space."
