RETROFIT YOUR HOME PROGRAMME

The Retrofit Your Home programme provides financial assistance, advice and information to householders wanting to create an improved home environment. The scheme contributes to the achievement of the Air Quality National Environmental Standards encouraging the installation of clean heat and insulation in homes as well as supporting access to central government grants and subsidies. The programme offers homeowners a retrofit plan for their homes and financial assistance up to \$5000 repaid through a targeted rate.

Note: This LIM does not contain information as to whether this property is subject to a targeted rate under the Retrofit Your Home Programme. To find out if any outstanding rates owing in relation to this programme, please contact Auckland Council (09) 301 0101 or email retrofit@aucklandcouncil.govt.nz for more information.

Part 2. Requisitions and Notices – Section 44A(2) (d)

Status of Requisition or Notice

As long as the Council has no evidence that the request relating to the Requisition or Notice has been met, the status of the Requisition or Notice will be shown as being **'current'**. The Council reserves the right to initiate appropriate enforcement action in relation to the Requisition or Notice.

In some instances Council has no detailed records in relation to 'historic' Requisitions or Notices. The status of those Requisitions or Notices will be shown as being **'dormant'**. The Council will take no further action in relation to the Requisition or Notice unless the records are recovered and the circumstances warrant further action.

According to Council database there are no requisitions or notices outstanding on this property.

 Auckland Council (09) 301 0101 if you require further information.

Part 3. Special Features – Section 44A (2) (a)

(a) Other special features (not included in the District Plan)

No known Hazards or Special Features

(b) Proximity to electricity transmission lines and towers

If there are high-tension electricity transmission lines over or adjacent to the property or there are transmission towers/pylons on or adjacent to the property the applicant must ensure that any proposed building complies with the line clearances and/or the requirements for excavation in the vicinity of towers/pylons prescribed in the New Zealand Electrical Code of Practice for Electrical Safe Distances. Contact Transpower on 0800 843474 for further information.

This information is provided pursuant to section 44A (3) of the Land Government Official Information and Meetings Act 1987.

(c) Reported Incidence(s) of flooding / stormwater issues

Council holds no records of reported incidence(s) of flooding / stormwater issues

(d) Potential risk of flooding / Overland Flowpath

Council has no information to suggest potential risk of flooding on this property

Part 4. Planning – Section 44A (2) (a) (ii)

(a) Land Use Consents under the Resource Management Act

There is no record of a Land Use Consent lodged on this property.

(b) Operative Zoning

See attached maps for Operative District Plan Zoning

(c) Known Special Features/Characteristics of Land

The Council knows the following special features or characteristics of this land.

Note:

This information should not be regarded as a full analysis of the site features of this land, as there may be features that the council is unaware of. The applicant is solely responsible for ensuring that the land is suitable for a particular purpose including development.

(i) Other Planning Features:

- Local Road

☎ For information on any outstanding conditions or ongoing monitoring contact Auckland Council 301 0101, ask for Duty Planner

The Council may hold additional information for this property, for example concerning resource consents for discharges to air, land or water issued by the former Auckland Regional Council prior to 1 November 2010 and by Auckland Council prior to November 2013. If you would like the Council to search for this type of information, please call 301 0101.

(d) Proposed Unitary Plan

Please note that the Proposed Auckland Unitary Plan applies to this property. This LIM report does not contain specific information about the Proposed Auckland Unitary Plan. The Proposed Auckland Unitary Plan should be carefully reviewed and considered, as it may have implications for how this property can be developed or used. The Proposed Auckland Unitary Plan can be accessed at Council service centres and libraries and can be found on the following internet page:

<http://www.aucklandcouncil.govt.nz/EN/planspoliciesprojects/plansstrategies/unitaryplan/Pages/home.aspx>

Special Housing Area (SHA)

Special Housing Areas are now in operation around Auckland. Being in a SHA enables land owners/developers to develop under the provisions of the Proposed Auckland Unitary Plan, which may be significantly different to the current 'operative' District Plans, and to access a fast-track development process.

Until 16 September 2016, the Council and Central Government may establish SHAs in accordance with the Housing Accords and Special Housing Areas Act 2013 and the Auckland Housing Accord for the purpose of accelerating Auckland's housing supply.

Maps and other information on SHAs can be found on the following internet page:
<http://www.aucklandcouncil.govt.nz/EN/RATESBUILDINGPROPERTY/HOUSINGSUPPLY/Pages/specialhousingareas.aspx>

Contact the Housing Project Office (09) 373 6292 or
specialhousingarea@aucklandcouncil.govt.nz for further information.

Part 5. Subdivision and Development

There is no record of a Scheme Plan on this property.

Financial and development contributions are relevant for recently subdivided land, vacant lots, new residential unit(s) or where there is further development of a site. If any financial or development contribution has not been paid, council can recover outstanding amount(s) from a subsequent owner of the land.

Please note that financial contributions and development contributions may be paid in land, cash or a combination of these. The form of payment of contributions may be subject to negotiation but final discretion remains with the Council.

Part 6. Building – Section 44A (d)

The following consents and permits have been applied for and/or issued.

Note that consents and permits for other addresses will be included. For cross lease it may be important to consider these for site coverage issues.

If the land has been subdivided there may be consents and permits included that relate to the original property.

(a) Building, plumbing and drainage consents and permits

Status notes:

- Building Permit Issued - Permit issued prior to the Building Act 1991 taking effect. Code Compliance Certificates (CCC) were not required.
- Construction Review - Consent approved but a final Code Compliance Certificate (CCC) for this consent has not been issued.

The following Building Permit and Consents have been lodged on this property.

| Permit/Consent | Number | Type of Work | Status |
|--------------------------------|----------------|--------------|----------|
| Building permits pre 1/07/1992 | BPM-1973-21066 | Two Flats | Complete |

Building Act note:

While Auckland Council has always endeavoured to maintain full pre-Building Act records, Councils were not legally obliged to do so. It is recognised that not all records for this period have survived and in other cases where building work is documented, information may be incomplete. Council does not accept responsibility for any omission.

It is recommended that Council records are viewed and compared with the actual building and activities on site to identify any illegal or unauthorised building works or activities.

☎ Auckland Council (09) 301 0101 if you require further information, ask for Building Control team

(b) Swimming/spa pools

There is no record of a swimming / spa pool on this property.

☎ Auckland Council (09) 301 0101 if you require further information

🔗 Pool fencing information is available for viewing – <http://www.aucklandcouncil.govt.nz>

(c) Compliance Schedule – Section 108 of the Building Act 2004

In accordance with Section 438(1)(b) of the Building Act 2004 this compliance schedule issued under Section 44 of the Building Act 1991 has effect as if it had been issued under Section 102 of the Building Act 2004.

Where the use of the building is going to change or any alterations are going to be made so as to trigger the issue of a new compliance schedule, this compliance schedule will be invalid and a new one will need to be obtained in accordance with Sections 100 to 107 of the Building Act 2004.

Council has no record of a Compliance Schedule for this property/building.

If it is evident that any specified systems such as lifts or commercial fire alarms are present in the building, the owner must ensure there is a current compliance schedule or building warrant of fitness, if none present, an application to Council for a Compliance Schedule is required.

☎ Auckland Council (09) 301 0101 if you require further information

Part 7. Licences – Section 44A (d)

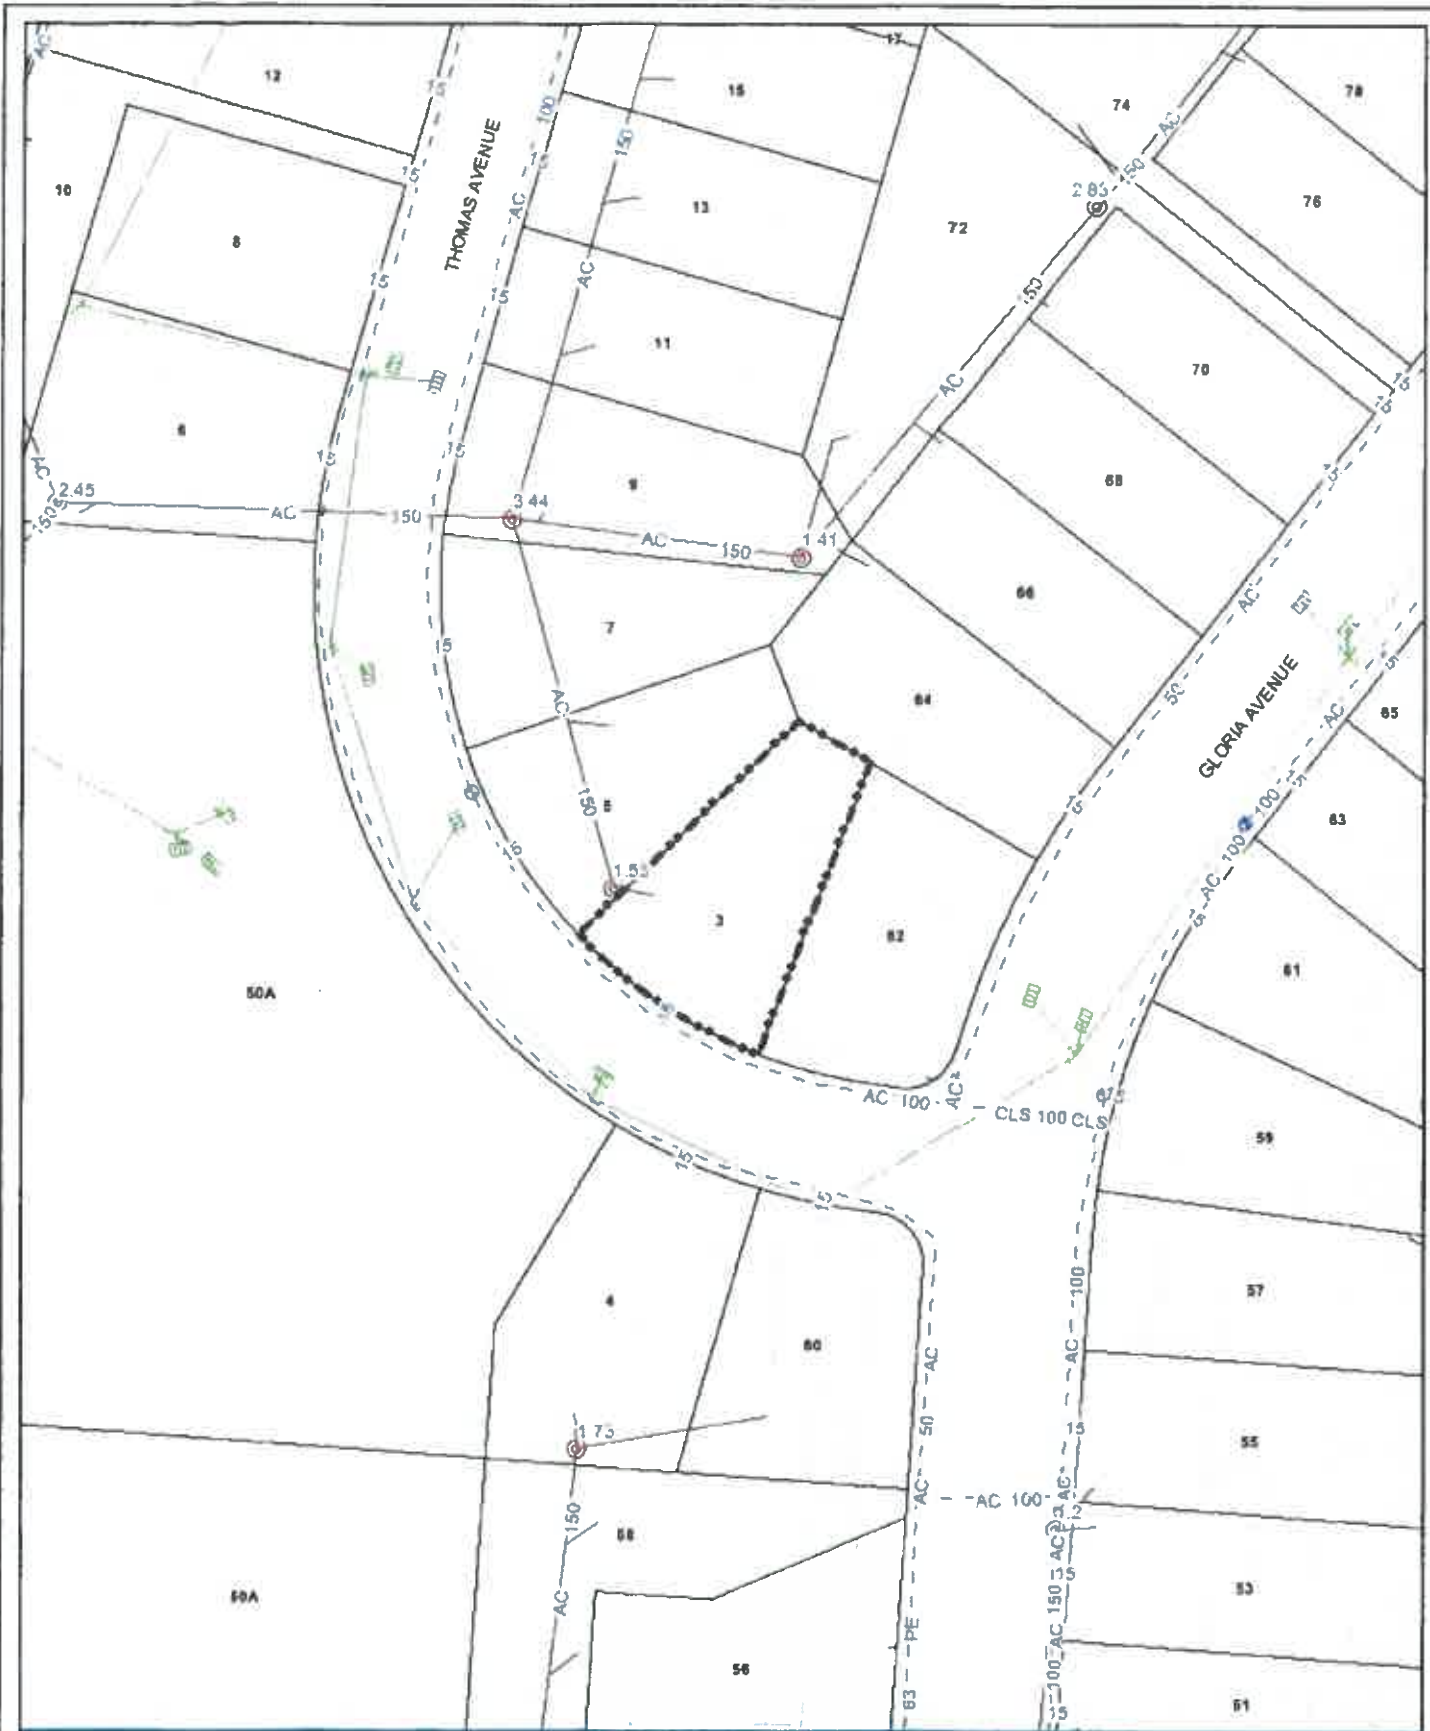

No Health licences currently apply to this property.

No Liquor licences currently apply to this property.
